

Faculty of Administrative Sciences

Department: Business Administration

Major: Human Resource Management

Summary: The goal of the human resources management degree is to prepare human resource professionals to deal with the complexities and challenges of managing today's workforce. The program content is designed to provide a comprehensive coverage of the major human resource responsibilities, addressing strategic and operational aspects. The courses involve both practical and theoretical considerations in the professional development of men and women in the field of human resources in such settings as business, industry, government, and nonprofit organizations and institutions.
